

Tower Name		Work Done i.e
<b>NON Tower</b>	 A photograph showing construction workers in a large, open area. One worker is on a red metal scaffolding, applying plaster to a wall. Another worker is on the ground, and a third is carrying a bucket. The floor is concrete and there are some construction materials around.	<b>Fire Fighting shaft plaster</b>
<b>Retail Area</b>	 A photograph of a blue metal cooling tower structure being installed in an outdoor retail area. Several workers are visible around the structure, and a crane is partially visible in the background. The sky is blue with some clouds.	<b>Cooling tower installation</b>
<b>Retail Area</b>	 A photograph showing workers in a retail area performing FRP (Fiberglass Reinforced Plastic) work. One worker is on a red metal frame, and another is on the ground. There are bags of material and other construction supplies visible.	<b>FRP Work</b>
